education

2004

B.A. STUDIO ART / GRAPHIC DESIGN

2008

CSU Channel Islands

Interdisciplinary studies in fine art, digital art technology, graphic design and art history.

2018

SOCIAL MARKETING CERTIFICATION

Hootsuite Academy

Sophisticated social marketing strategy theories for optimizing presence on major social networks.

work experience

2014

PROGRAM COORDINATOR

NOW

CSU Channel Islands | Camarillo, CA

Creates and distributes both internal and external print design. Provides visual solutions for complicated and frequently-changing information. Project lead for updating SOE website. Point of contact for all digital content management. Works closely with department Dean in preparing infographics and presentations to successfully secure grants and assist in recruiting undergraduate and postbaccalaureate / credential students.

2015

FREELANCE LIFESTYLE WRITER

2016

HelloGiggles.com | Time, Inc.

Paid contributor for Time, Inc.'s content-based lifestyle website. Responsible for maintaining appropriate tone, grammar, and focus on target demographics. Articles were cross-posted among all social media platforms, including Facebook, Twitter, Instagram, and founder Zoey Deschanel's public Facebook account. Pay was based on clicks and audience engagement.

2009

GRAPHIC DESIGNER

2010

Novocom | Malibu, CA

Junior graphic designer for small, in-home design firm focusing on entertainment industry's major television networks. Designed logos for pilot TV shows, created content for lower-third news briefs, and collaborated on caption content for E!, The History Channel, and NBC. Assisted in the design of CSUCI's newer logo.

experience (continued)

2008

GRAPHIC DESIGNER

2009

Platform One Entertainment | Chicago, IL

Entry-level graphic designer for Chicago-based music marketing firm focusing on nonprofit and fundraising event coordination. Wrote and distributed email blasts about up and coming music acts on a local and national level. Designed banner ads and general website visuals while collaborating on a team of 10 other designers.

2008

GRAPHIC DESIGNER

2018

Freelance | Remote

Entry-level freelance graphic designer focusing on creating personal brands, visual solutions for small, in-home companies, and assisting clients with simple designs for events (wedding invitations, programs, signage). Initial experience in professional design field for purpose of establishing portfolio.
